

February Newsletter

Tax Information

Young World's Federal Identification # is 04-2978-936. You may need this number when you do your taxes. If you require a Year-End Statement, please put your request in writing or email; we will get it for you as soon as possible.

Winter Weather Reminders

We may sometimes close the entrance at the end of the long sidewalk due to snow sliding off the roof. Although snow guards are in place, ice & snow coming down onto the sidewalk is a concern. We will let you know what entrance and exit you will be using. Thank you for being so cooperative. If Young World ever needs to close due to inclement weather, it will be posted on 22 News & Channel 40 Western Mass News. We will also email you about closings, late openings, or early dismissals. Also, check the website, as it will also be posted there.

Registration

We will begin registration for the 2024-2025 school year on Monday, February 12th. We will send you a letter home this week with all the details about fall and summer enrollment.

Valentine's Party

Valentine's Day is approaching; please be on the lookout for a party sign-up sheet. Each class will send out a letter about their party celebrations.

Before and After School Age Program

After 30 years, we have decided to close the Before and After School Age Program. When the Mountain View Elementary School opened, we expected challenges around transportation and scheduling. When walking to school became impossible, we knew bussing would be a hurdle to overcome because transportation would be out of our control, not to mention an added cost for many families.

This has decreased our enrollment, which we can no longer endure.

The Last Day of our School Age Program will be June 15th, 2024.

On Monday, February 19th, we will be closed in honor of President's Day.

Thank you, all our Young World Families, for your continued support and cooperation!
